B2B GROWTH ARCHITECTURE

Why 78% of High-Ticket Ad Leads Ghost You in 5 Minutes

Most luxury real estate agencies and aesthetic clinics spend $10,000+ on Meta ads, only to let their sales reps call leads 4 hours later.

Here is the exact 15-second nervous system that fixes lead decay forever.

LEAD DECAY MATHEMATICS

The Brutal Math of Speed-to-Lead

0 – 15 SECONDS — **+391% Conversion**

Buyer is still looking at their phone. Intent is peak.

5 MINUTES — **-80% Response Drop**

They closed Instagram and opened an email or work tab.

4 HOURS — **❌ 94% Ghost Rate**

Lead already booked a consultation with a faster competitor.

Want to Audit Your Response Time?

If you are running paid ads for high-ticket clients, I'll run a Free 60-Second Speed-to-Lead Audit on your funnel.

I will submit a test lead and show you the exact seconds of delay before your team responds.
